Section 1: About this form

Please read the CPR information leaflet carefully before you complete this form

We encourage you to give us as much information as possible. The more information we have to work with, the greater the chances are that we will help you make a match with relatives.

What is the Contact Preference Register (CPR)?

The main function of the Contact Preference Register is to enable contact between family members affected by adoption. The Register also serves as a way to lodge a contact preference, including a request for privacy. Applicants to the register can lodge an item (for example, a letter or photograph) for a specified person, which will be given to the specified person if they join or have previously joined the register.

About the words we use in this form

We have tried to use terms that would suit everyone involved in adoption. For ease of use, the terms 'mother' and 'father' refer to the 'natural birth' mother and 'natural birth' father. We use the term 'applicants' for people who register with the CPR.

Personal identification (ID)

You will need to include a copy of your personal identification with this form. The types of personal identification we accept are:

- Passport
- Driving licence (including provisional licence)
- Garda Age Card

Where do I send the completed form and identification?

You can send it:

- by email: records@aai.gov.ie
- by post: PO Box 9957, Dublin 4
- online: by completing and submitting a form online at birthinfo.ie

What happens after I send in my application form?

When we receive this application form, we will write to you to let you know. We will tell you that you are now being added to the Contact Preference Register (CPR).

If we find a possible match for you on the CPR, we will tell you what the next steps are. This will depend on the contact preferences you and the person you are matched with have chosen, and may include the following.

1. The sharing or requesting of information.
2. The opportunity of contacting the applicant with whom you are matched.
3. The opportunity to use the mediation service provided by the Adoption Authority.
4. Access to any specific items that may have been lodged.
